CLUB NOTES

HISTORY ONCE MORE REPEATS ITSELF

Our last match in the League, a goalless draw, ended in exactly the same way as the preceding game at Deepdale, but there was a big difference, and a gratifying one, in the way the team went about their task on these two occasions. Quite a transformation was seen against Manchester City despite a bad pitch.

It was questionable whether the ground was really fit for play owing to its treacherous surface after keen frost. However the referee said it was, and soon players of both sides were losing their foothold and balance. This was a match which City wanted to win to improve their promotion prospects, and North End were equally anxious to prove their preceding form false.

Thus is was a great pity that the conditions handicapped the players. Even so North End adapted their style remarkably well to the precarious pitch and made their followers wish there had not been any difficulties underfoot. Our team received high praise for some scintillating football, also for keen effort.

The result was as farcical as the game, for our attackers created scoring chances in the proportion of four to one, yet failed to score due to a combination of poor finishing, over-eagerness and some lack of composure. Still the team's display from back to front augured well for our Cup-tie prospects.

CLUB NOTES—*continued*

The hopes it raised were duly fulfilled at Charlton where a grand team effort, again on an atrocious pitch which was dotted with pools following a rapid thaw and was hard underneath, earned a 3-2 win and welcome progress into the fourth round. Charlton put up tough opposition but North End were the better side.

This time we took advantage of scoring opportunities to gain an early lead, Hannigan producing a typical solo effort. Charlton, who had not won since October 9th, played with desperation, but were held by a compact defence. Lee increased our lead after 17 minutes. Although Ross put through his own goal from a corner Hannigan nipped in with another goal to make the interval score 3-1.

We had always been the stronger side despite losing Greenhalgh for some time owing to a nasty knee injury which required stitches. Steadfast resistance to pressure earned a good victory, the only outcome of Charlton's efforts being a second goal against us from a corner. We had our chances in this half, too.

The reward is an attractive pairing with our Bolton neighbours for the third season in succession, on this occasion at Bolton. We won in 1964 after a 2-2 draw at Burnden. They gained revenge at Deepdale a year later. Now, perhaps, it is our turn? We hope so. Whatever happens it should be a grand contest, for both sides appear to be running into the form of which they are capable.

OUR VISITORS—*Ipswich Town*

Ipswich Town, our very welcome visitors today, have a League record of which Suffolk's sole representative has every reason to be proud. The pride of Suffolk may be said to have done wonders during a comparatively short span, considering that this is only Ipswich's 21st season of League membership.

Formed as an amateur organisation as long ago as 1887, the club did not adopt professionalism until 1936, then entering the Southern League. Two years later Ipswich were elected to the Third Division (South) of the Football League, and in their ninth season (1953-54) won the championship—and promotion to Division II.

They set up what is still a club record total of 64 points, but events proved that hopeful Ipswich were not quite good enough for a more testing sphere. They finished with only 28 points and went down in company with Derby County (23 pts.). It was during this promotion season that Ipswich and North End first met.

The occasion was a fifth round F.A. Cup-tie at Deepdale. Preston won it by 6-1, Tom Finney (1), Charlie Wayman (2), Jimmy Baxter (2) and Angus Morrison (1) scoring, and we went on to reach the Final, losing near the end to West Bromwich Ipswich proved their potential by again gaining promotion after two seasons.

They finished Third Division (South) champions in 1956-57 with 59 points, and four years later were Division II champions again with 59 points. Further glory was immediately forthcoming by their "dark horse" triumph of winning the League championship in their first season (1961-62) with 56 points.

OUR VISITORS—*Continued*

Ipswich had gone up when we were going down in the spring of 1961. Consequently our initial meeting with this club in the League was deferred until last season, when Ipswich were back in Division II after three seasons in the First Division. It was at Ipswich in August 1964 and North End won by 5-1.

The following December Ipswich lost the return fixture by 1-4. Thus in our first three matches with this club, one a Cup-tie, we scored 15 goals to three. Ipswich called a halt on the opening day of the present season by scoring the only goal on our second visit to the Portman Road ground.

The Ipswich manager is Bill McGarry, formerly a wing half with Huddersfield and still one of the youngest managers in football. He took the place of Jackie Milburn, the successor at Ipswich of England team manager Alf Ramsey, the famous Newcastle centre forward having found the strain harmful to his health.

Bill McGarry went to Watford in July 1964 after a spell as player-manager with Bournemouth, and thus was ripe for further advancement. In his initial season with Ipswich his team finished fifth from the top with 47 points, but they are not doing as well this time, being in the lower half with 22 points.

On Wednesday, after achieving a draw in a hard fought F.A. Cup-tie at Southport, they suffered the severe disappointment of being beaten at home in the replay by their Fourth Division opponents, this despite having fought back to wipe out Southport's early lead and go in front by 2-1 until near the finish.

IPSWICH TOWN PLAYERS

KEN HANCOCK (*goalkeeper*). Born Milton, Stoke. Signed December 1964 from Port Vale, and made 20 League appearances. Physically ideal at 6ft. 1in., 13st.

JOE DAVIN (*right back*). A former Hibernian player and one of five Scots on the team sheet for today. Born Dumbarton and played in 26 League games last term.

MICK McNEIL (*left back*). Transferred from Middlesbrough June 1964. Polished defender with nine England appearances. Born Stockton, 5ft. 11in., 12st. 2lb.

COLIN HARPER (*right half*). A local product born at Ipswich. On the light side but is a fast moving effective wing half. Seven League outings last season.

BILLY BAXTER (*centre half*). Born Edinburgh. Much less powerful in build than the majority of pivots at 5ft. 8in. and 10st. 10lb., but can be just as commanding, as he proved in most of his 37 League games last season. Signed from Broxburn.

CYRIL LEA (*left half*). Well known as a former Leyton Orient stalwart, going back to 1957. A Welshman who has proved the value of considerable experience.

GERRY BAKER (*outside right*). Former centre forward and leading scorer in the past two seasons with 15 and 16 goals respectively. Height 5ft. 7in., weight 10st. 2lb. Born New York. Transferred from Hibernian December 1963 after service with Manchester City and St. Mirren. Brother of the Arsenal and England leader.

DANNY HEAGAN (*inside right*). Hails from Coatbridge. A clever ball-playing schemer and handy goalgetter. Formerly with Sunderland and Albion Rovers.

FRANK BROGAN /*centre forward*). Born Glasgow and joined Ipswich from Celtic in 1964 close season. In 40 League games last season scored 13 goals.

JOHN COLRAIN (*inside left*). Heaviest man in the team at 13½ stone and one of the tallest at six feet. Another Glaswegian and was formerly with Clyde.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
